Manhwa by: Im Ae-ju
Original: http://www.lezhin.com/ko/comic/gayteacher

As this manhwa is hosted on lezhin, I am probably only going to be translating up to chapter 2 as chapter 3 onwards are paid chapters. This series has actually already concluded and is fully translated in chinese ! Also, translations are not 100% accurate (I translated their names using good ol google:")) Note that the first page was missing from the chinese scans :(
